

ALASKA MOUNTAIN GOAT

Was \$9,800 **NOW \$8,800**

SEPTEMBER 2010

These hunts are conducted from a 50' yacht out of Prince William Sound. Success rates are high with this outfitter as he is the only outfitter offering yacht-based hunts in Prince William Sound.

Their mountain goat hunts are conducted during the months of September and October. When not on the mountain pursuing goats you are living in comfort aboard the yacht where their full-time cook keeps you fed and the TV plays a good Western. These are true trophy mountain goat hunts. They harvest strictly large billies with long furred hides. They do not shoot female or small goats.
